

GYPREX[®] GRANULAR

Design No - 975

Imagine the sun beating down on the
Great African desert.

Inspired by the golden dunes & the
texture of grainy sand.

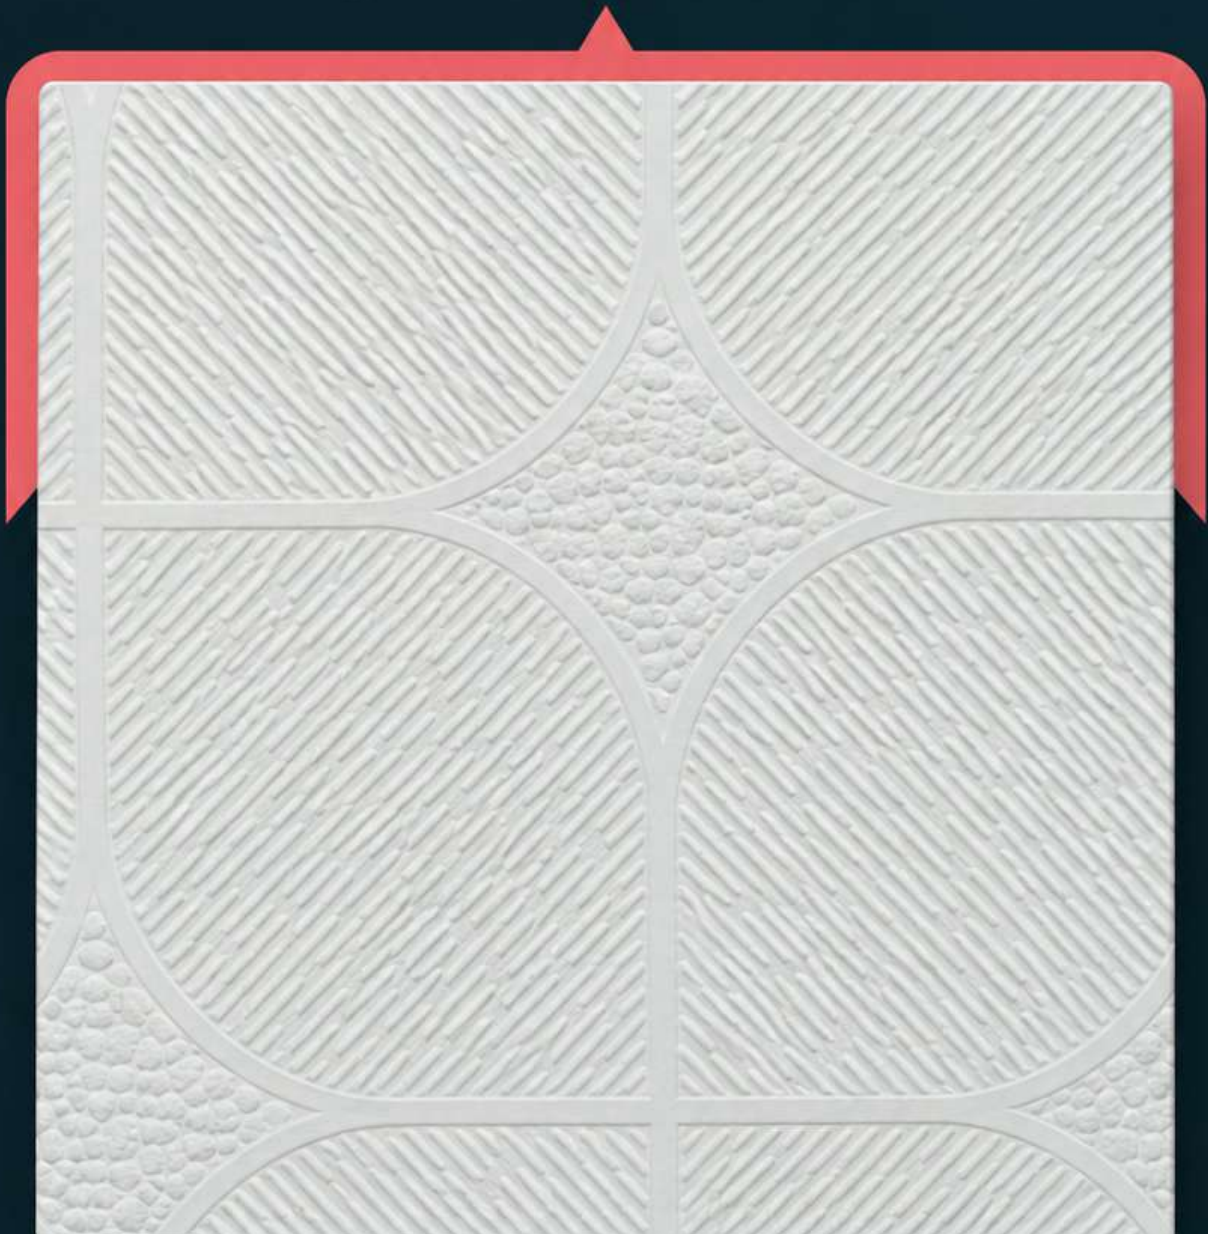

GYPREX[®] DOME

Design No - 238

Imagine the aerial view of the Roman Colosseum.

Inspired by this mighty historic amphitheatre, bring to life the gladiatorial combats

GYPREX[®] MAJESTY

Design No - 567

Imagine the sparkle of the
Parisian Eiffel Tower.

Inspired by its sheer presence &
iconic complex architecture.

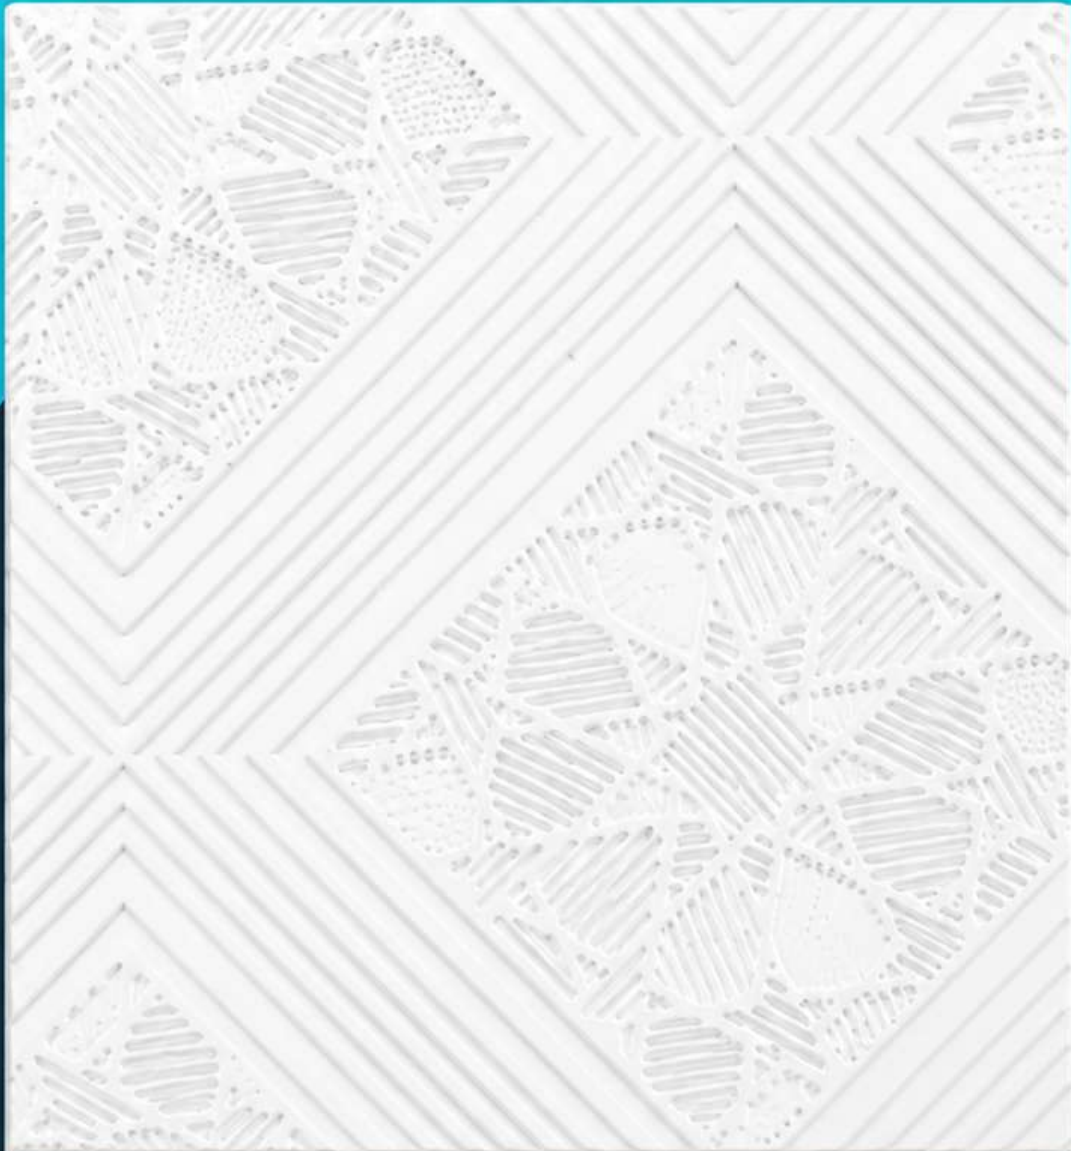

GYPREX[®] SEABLOOM

Design No - 247

Imagine the sea life of Australia's
great coral reef.

Unravel the art of ocean with its
flora & fauna under crystal clear
water.

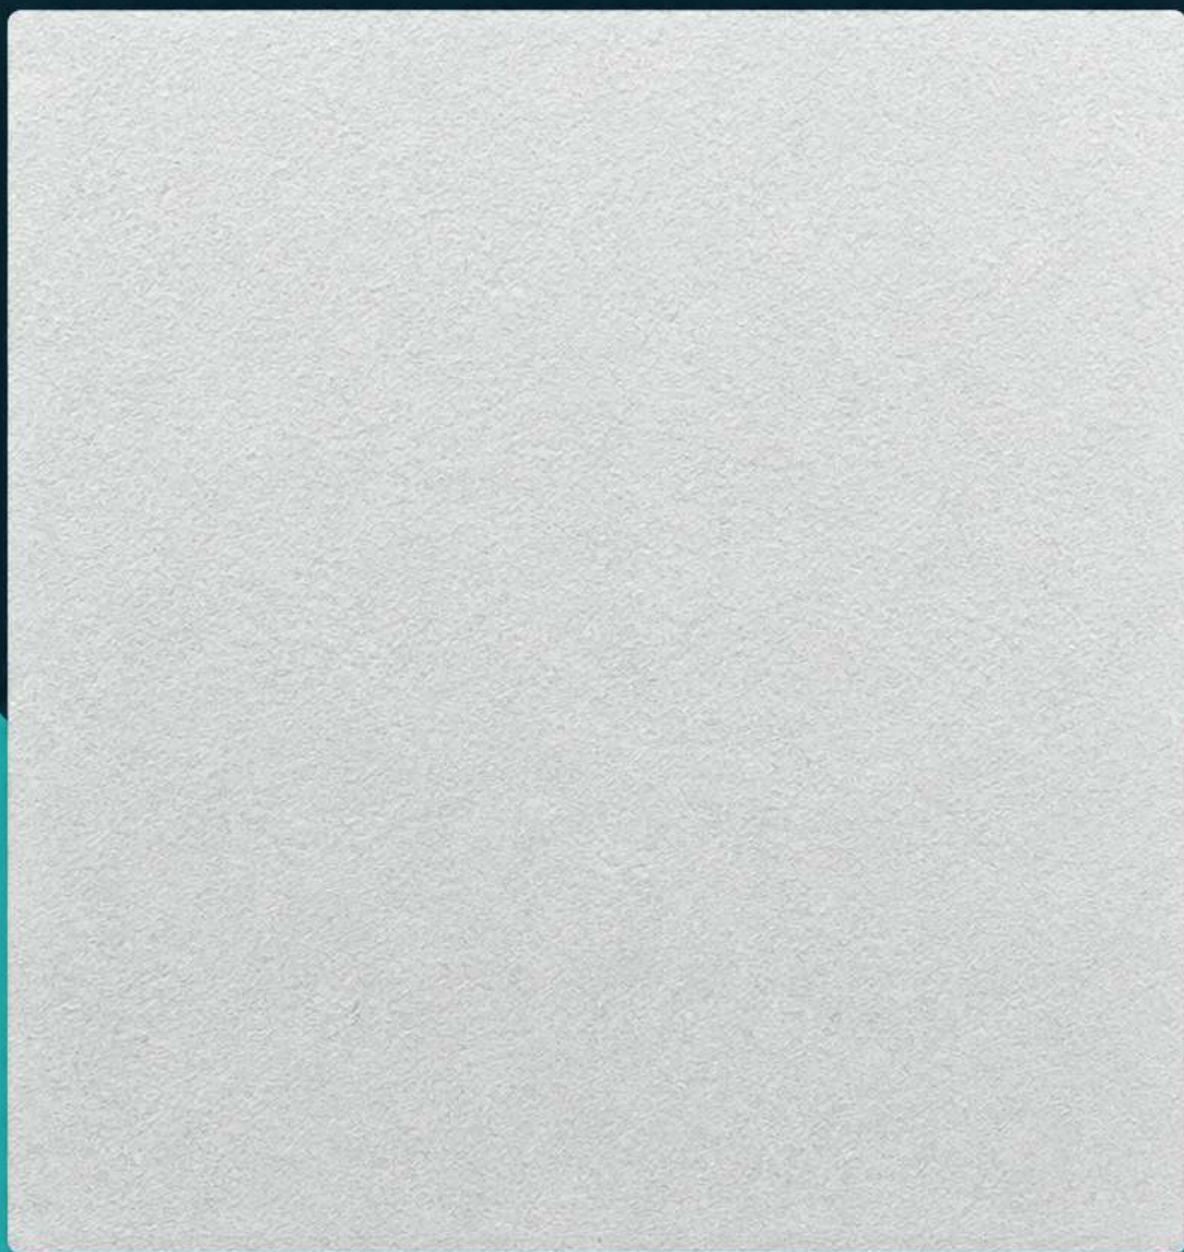

GYPREX[®] DEW DROP

Design No - 154

Imagine the cold region of Antarctica.

Inspired by the snowcapped, cotton-soft sheet magic texture of pure white snow.

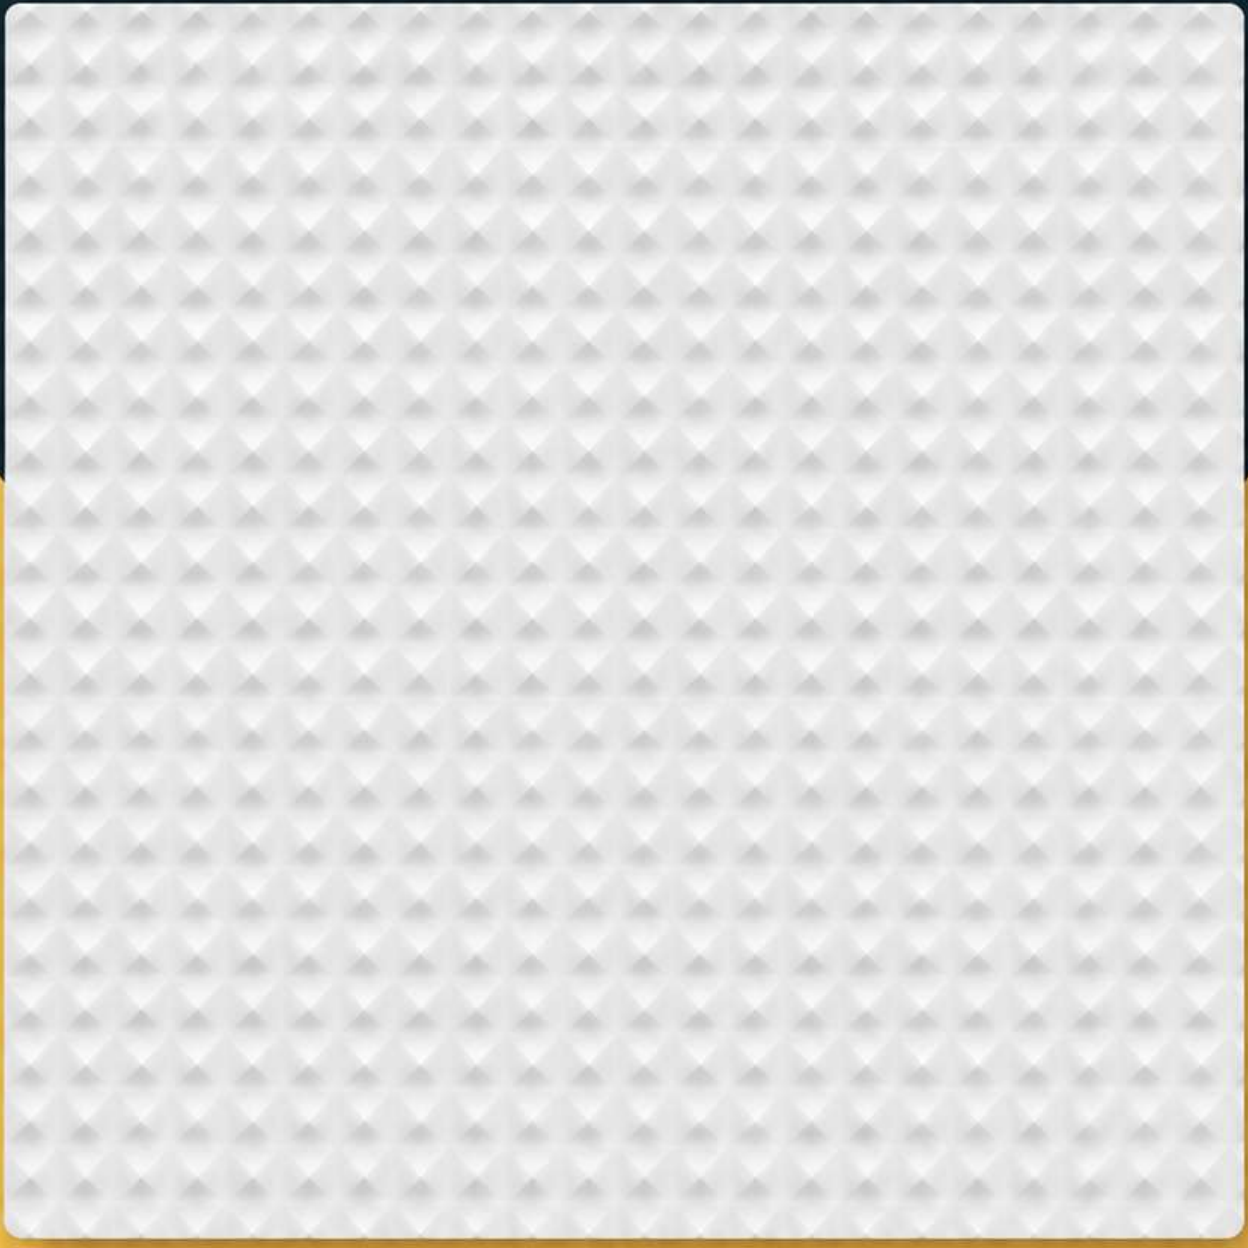

GYPREX[®] PYRAMID

Design No - 569

Imagine the Great Egyptian Pyramid.

Unravel the magic of this historical
creation standing tall towering.

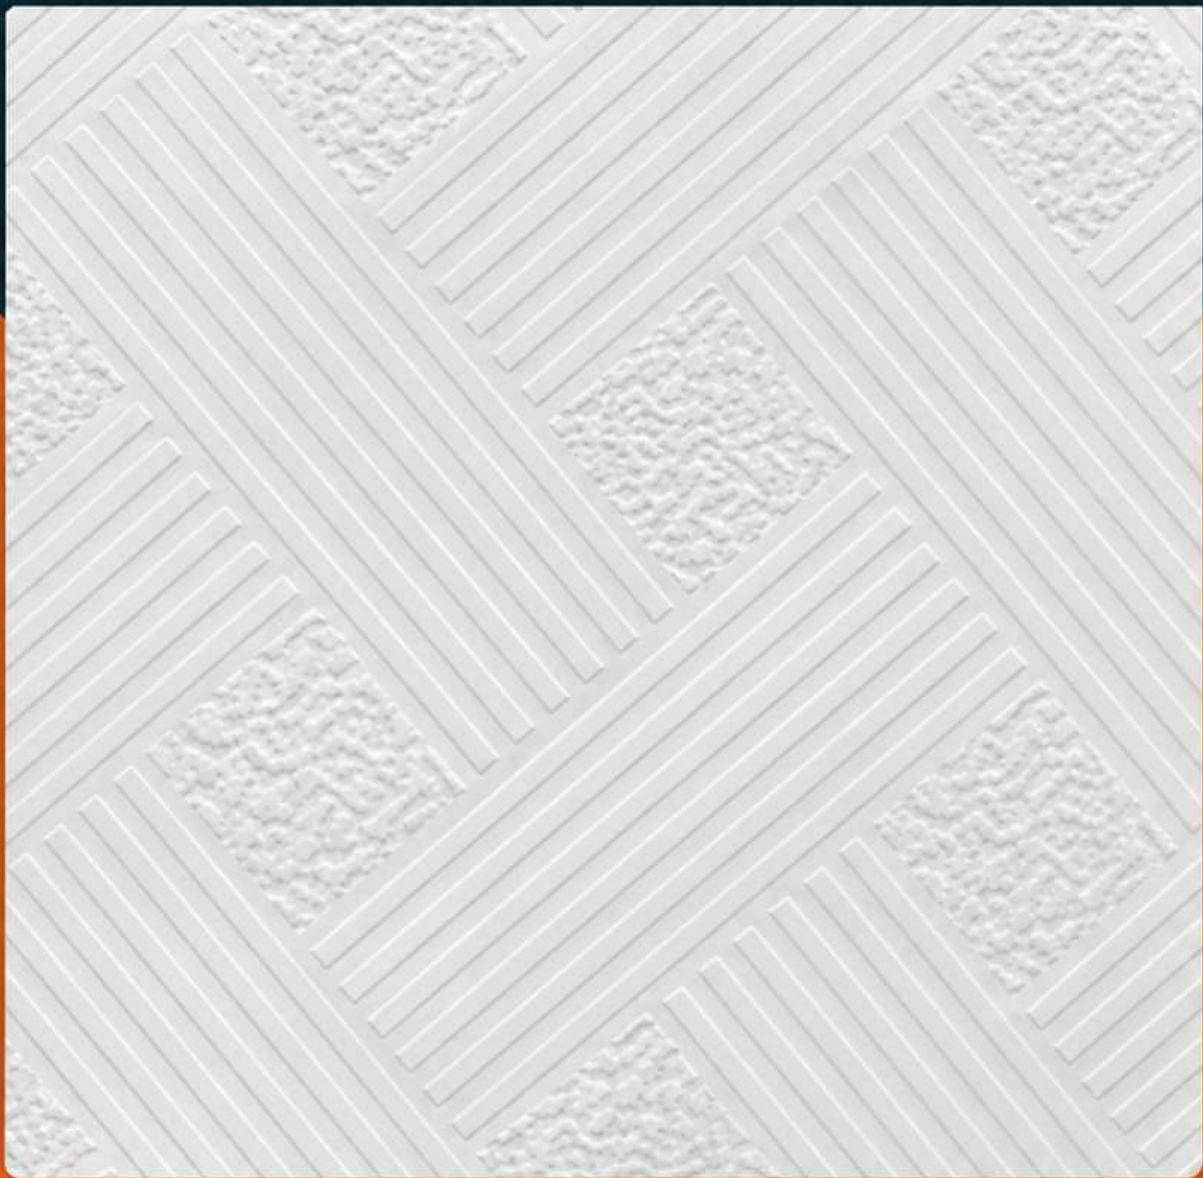

GYPREX[®] MARVEL

Design No - 996

Imagine driving through California's
Golden Gate Bridge

Brings the essence of this architectural
marvel inspired by the design of the
suspension with the truss arch &
causeways
